

# EXPECTATIONS FOR

# Learning In-between Languages And Cultures (LILAC)

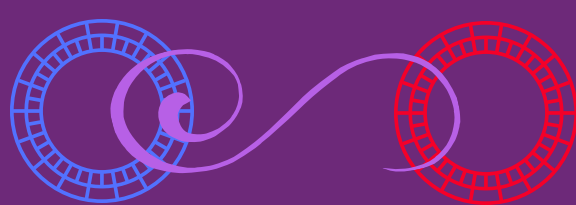

## EXPANSION OF MULTILINGUAL REPertoire

Students will acquire new language to express and explore concepts, knowledge, and skills initially learned through a different language.

## META - MULTILINGUISTIC AWARENESS

Students will develop understanding of how each language works, engage in comparing and contrasting languages, and use multilinguistic understandings to inform their learning and communication.

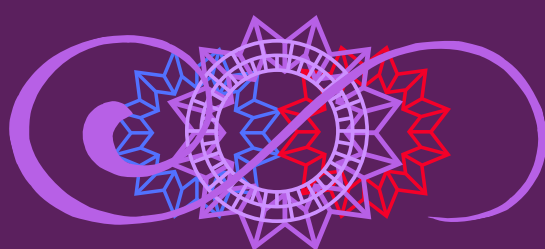

## META - MULTICULTURAL AWARENESS

Students will develop understandings of their own and other cultures, and use cross-cultural understandings to inform their learning, sense of identity, sociocultural attitudes, and behaviors.

## SOCIOLINGUISTIC AWARENESS

Students will develop an awareness of the relationships and dynamics that exist between language, society, and culture.

## TRANSLANGUAGING

Students will utilize their sense of the sociocultural context along with multiple linguistic resources fluidly together to make meaning & communicate effectively and dynamically with increasing awareness, agency, and control.
